Fostered	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Don't know

Special Needs:

My personal story

I am a beautiful calico found wandering around a marina. I am very playful and good with other cats and parakeets. I also like my foster mom's neighbors small dog. If you would like to make me a part of your family, please contact rbundas@tampabay.rr.com
